

Light

```
graph TD; Light[Light] --> Wave[Electromagnetic wave]; Light --> Photons[Particle stream (photons)]; Wave --> W_Absorption[• Absorption]; Wave --> W_Reflection[• Reflection and total reflection]; Wave --> W_Breaking[• Breaking]; Wave --> W_Diffraction[• Diffraction]; Wave --> W_Scattering[• Scattering]; Wave --> W_Interference[• Interference]; Wave --> W_Polarization[• Polarization]; Photons --> P_Absorption[• Absorption]; Photons --> P_Emission[• Emission]; Photons --> P_Scattering[• Scattering]; Photons --> P_Spectral[• Spectral distribution];
```

Electromagnetic wave

- Absorption
- Reflection and total reflection
- Breaking
- Diffraction
- Scattering
- Interference
- Polarization

Particle stream (photons)

- Absorption
- Emission
- Scattering
- Spectral distribution
